

“Don’t let your hearts be troubled. Trust in God, and trust also in me... I am leaving you with a gift— peace of mind and heart. And the peace I give is a gift the world cannot give. So don’t be troubled or afraid.”

John 14 v 1 & 27

Now’s a time to draw on these things that Jesus said on the evening he held that first Communion with his disciples; to draw on it and to share it with others. A promise of God with us which can change our state of mind and move our focus from ourselves to God.

Blackford Parish Church—Members’ update

We're not meeting on Sundays for the time being so we want to include you as members and friends in what we are doing.

- We continue being a church and doing what the people of a church do but in different times, places and ways.
- Look out for what we're saying on Facebook or on our website giving links to helpful ideas based on what Mairi would have been preaching from.
- We'll drop some of these ideas off with you particularly as we approach Easter.
- The Link has a note of all our Bible readings until the end of next month.
- We're still working on our building to repair the floor.
- We'll be using the grounds as a place to think and pray.
- Pass on any of the three numbers opposite to a neighbour if that would be helpful.

We're working with the Community Council and with the Village Store to see that food can be delivered to those who need it. **The message to those in need across the village is to phone the Village Store on 682245.**

We'd want to offer more than that to members and others in a safe and manageable way; it may be shopping or a chat on the phone that you want, or a dog walked, or taking you to an appointment might be within our possibilities.

We have a few members and a few trusted friends willing and able to help. We'll no doubt adjust and change as time goes on but at the moment, call Sandy Marshall or Gordon Roy as our Session Clerks and we'll make arrangements.

Sandy Marshall—682354
